Flexible & Reflective Identification Panels

These ultra-thin sign panels are perfect for numbering, highlighting & identifying what you **need noticed** - **IN ONE EASY and ECONOMICAL STEP!**

The sign panels come with your choice of color & style of sheeting, width or length, are an economical combination of reflective safety **and** identification!

Identification codes are **HAND STAMPED** into the metal!

Super flexible, reflective & adaptable for any use or location. Don't need them with blank spaces? Order them with full length reflective & **SAVE money!**

Panels are incredibly adaptable - **easy** to cut wrap or fold!

You are only limited by your imagination with what you can do with these ultra-thin reflective panels!

✓ The ultra-thin sign panels are easily cut, folded & bent to conform to **any** shape! They can be nailed, riveted, glued taped or zip-tied into place. Panels can be ordered with all-weather adhesive backed ends for "peel n' stick" safety! - **install anywhere!**

✓ Perfect for **ANY** identification need, all **hand stamped** in any number/letter combination!

"Low cost, flexible, reflective ID panels are great for ANY situation! Identify, mark and give reflective safety in one easy economical step!"

✓ **Various widths and lengths available:** Our most popular widths are 1 3/8" and 3" wide and lengths up to 36" long - *however we can make them any size you need!*

✓ **ANY** color, including fluorescent yellow/green or orange "Crystal Grade" available!

✓ Ask about our **Crystal Grade** pre-cut reflective strips! - **Simple Peel and stick safety!**

These are **PERFECT** to wrap around anything you need numbered, identified, labeled or tracked!

Deep hand-stamped identification

Peel and stick 6" panel

Utility Pole at Night
