www.hyviz.com info@hyviz.com

Our woman owned, family run company is a supplier and manufacturer of nighttime safety products such as: Hydrant markers, US made reflective clothing, products for border, obstacle, traffic calming or delineation markings for much safer roads, work areas and easy hydrant locating. **Here is a product we are especially proud of!**

MONSTER MARKERS

Looking for the most noticeable marker? The Fattest? The Brightest? - Look no further!

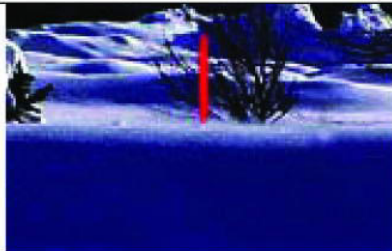

From left to right in "day/night": our 5/16" marker, our 3/8" marker and our 1.25" **MONSTER** marker!
(notice the cross section on the monster marker on the right)

Our Monster Markers are the same as the Snowpoles we supply and used across the nation!

Here are a few details:

- ✚ UV resistant plastics, shock resistant in any temperature, **VIBRANT** fluorescent orange
- ✚ 1.3 outside diameter, ribbed for extra strength
- ✚ Hollow lightweight design with "+" cross member for resilient year after year use!
- ✚ **GIANT** SIX inch engineer band wraps around entire unit - in any color! *Optional multiple bands available also!*
- ✚ Chisel pointed end and vinyl cap
- ✚ **Monster Markers are 4 ft tall, but can be special ordered in ANY length!**
- ✚ **Perfect for ANY area ANY weather condition – year after year!**

Remember, these are the **SAME** markers to mark storm drains, guardrails, curb lines, hydrants and more in **ANY** weather condition used around the country We modify and "domesticate" them for **YOUR** use, by adding vinyl caps, pointed ends and reflective strips!

Trust us, these are the last driveway or border markers you'll EVER need!

Please call 973-478-1464 or email us at info@hyviz.com for ANY details!
