Driveway markers – made your way! *“From the best hydrant markers come the **BEST** driveway markers!”*

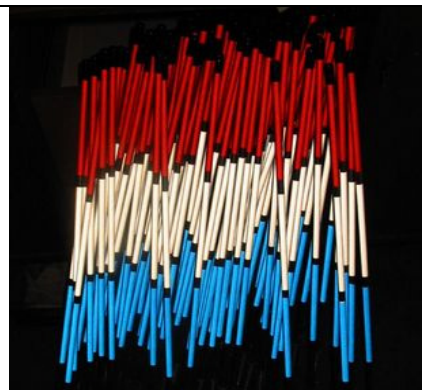

Our standard driveway markers are a full 3/8" solid pultrusion fiberglass ... the thickest on the market!

The engineer grade reflective banding is available in **ANY COLOR** to match your house décor or need!

We also are the manufacturer of Tri- Banded "Patriot Markers" "Swirl Banding", "Safety Spikes", "Monster Markers" and more!

For the same price you would spend on thinner, lower quality markers; you can buy the best, with the colors YOU WANT and the WAY you want, directly from us!!

ALL our markers use the same fiberglass and reflective banding we use on our hydrant markers- ~ No shortcuts here! Only the best! ~
Ask about our lifetime breakage warranty!

Patriot tri-band markers

Try our 12" or 8" Safety Spikes.

These are great for edges of gardens, driveways, locators and more!

Reflective spikes – in any color!

Swirls of reflective color make our swirl bands **GLOW!**

Tri-banded Markers & Swirl Bands

Reflective markers with **three reflective bands** for any holiday, nationality, sports team or more

Red/White/Blue "Patriot Banding" for July 4th
Red/Green for Christmas
Black/Orange for Halloween
Blue/Green swirls for your favorite team

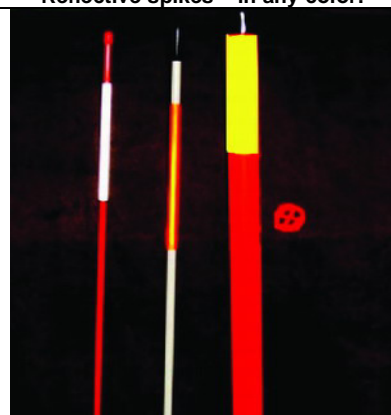

Three bands – any color you want!
or
Single, Dual or TRIPLE swirl bands
– YOU design it – we make it!!

And saving the BIGGEST for Last - Monster Markers!

Looking for the brightest most noticeable driveway marker? The Fattest? The Brightest? - Look no further! These massive markers are UV protected **Fluorescent orange** with a **HUGE 6 Inch engineer grade band that wraps all the way around it's diameter- over a 1 1/4 wide!** These are the same "Snowpoles" we supply across the nation to mark guardrails, drains, curb lines and crosswalks in the most extreme conditions, we "domesticate" them for YOUR use, by adding caps, points and reflective sheeting – finally you can have commercial quality products for your own residences!

Here are a few other details:

- + UV, shock, and temperature resistant plastics in **VIBRANT fluorescent orange**
- + **1.3 inch outside diameter**, ribbed for extra strength, with a inner "+" cross member. This offers a lightweight design for resiliency if struck, plowed under or backed into!
- + **6 INCH** engineer grade band in YOUR choice of color, (multiple bands available also)
- + Chisel pointed end and vinyl cap
- + Monster Markers are typically 4 ft tall, but can be special ordered in ANY length!
- + Perfect for ANY area ANY weather condition – **year after year!** These are the last markers you will **EVER** need! **Ask about our lifetime breakage warranty!**

Our 5/16" 3/8" and MONSTER Marker!

And Finally – Attention Landscapers and plow operators-Be Prepared!

If you are looking for economical markers in high quantity (for snowplowing, etc.), we always these in stock for delivery – call us!
